

DWYER INSURANCE

Assisting in the claims process is an important part of the service that we provide to you.

Should you find yourself involved in a claim or potential claim please call our office without delay. We will review coverage, assist in reporting the claim and advocate on your behalf once an adjuster is assigned.

Because a claim can occur at anytime, we've provided the following toll free claims numbers. If you are unable to reach us after business hours please call your insurer directly. All of these numbers are staffed 24 hours a day;
